

## POS with BENEFITS

**POS**  
**LAVU**

RESTAURANT POINT OF SALE

POSLavu is Point of Sale software that takes full advantage of Apple's iPad™ and iPhone® technologies. With detailed reports, kitchen display, mobile ordering, credit card swiping and wireless printing all working in sync, POSLavu is much more than an App; it is a smart, complete solution to fulfill point of sale needs of small restaurants and national chains alike.

iPad™ is a trademark of Apple Inc. iPod touch®, and iPhone® are registered trademarks of Apple Inc
